its meeting held on 25-1-1947 The President of the Municipality has requested in his letter No H C 131/45-46 dated 8-2-1947 to obtain sanction of Government to undertake the work In the detailed report accompanying the President's letter, it is seen that this item of income ie , value of shop sites

shop-sites and the expenditure towards the ~~expenditure towards the~~ construction of the vegetable market were not anticipated by the council before preparing the budget estimate for 1946-47 The income derived by the sale of shop sites is more than the amount required for the construction of the stalls

In these circumstances, I request that sanction of Government may kindly be obtained to undertake the construction of the stalls etc , at an estimated cost of Rs 1,10,000/ as per the resolution of the Municipal Council

Letter no H C 131/45-46 dated 8-2-1947 with all its enclosures received from the President of Davangere Municipality is enclosed herewith for favour of reference
